Mail Stop: AF  
Commissioner for Patents

Commissioner:

The Assignee respectfully requests entry of the following after-final amendment and remarks in response to the final office action mailed August 5, 2008. The claims are amended to overcome the § 101 and § 112 rejections. The claims, however, are not amended to overcome the cited documents. The Assignee respectfully submits that the pending claims already distinguish over the cited documents, so the final rejection is premature.
